WORK EXPERIENCE

MARKETING LEAD
Eyanod Global Services Limited

03/2025 - Present *Abuja, Nigeria.*

Eyanod Global Services Limited is an emerging renewable energy solutions company focused on providing reliable and sustainable solar power systems for residential and commercial use.

Achievements/Tasks

- Led the development and execution of marketing strategies to promote solar energy solutions across digital platforms.
- Handled client communication and follow-ups, improving response rates and customer engagement.
- Contributed to sales by converting inquiries into potential leads through effective messaging and product positioning.
- Designed marketing materials including promotional posters, product campaigns, and awareness content using canva.
- Conducted market positioning by tailoring product offerings (solar systems and generators) to fit different customer budgets and needs.
- Collaborated with leadership to refine pricing communication, product tiers, and customer approach strategies.
- Built and maintained a consistent brand voice across all customer touchpoints, combining education with sales messaging.
